

Niendorf an der Ostsee

„2025 MMPP Congress with Dr. Andre Saine“

October 19 to October 24, 2025

Pure Homeopathy in **Cases with Severe Pathologies** and the presentation of new **Materia Medica Monographs**

After two successful events with André Saine at Banz Monastery, we would like to offer this year's seminar with André again at the Baltic Sea in Niendorf in response to many requests. The seminar house is located

in a unique atmosphere **directly on the beach**. We cordially invite you to this special seminar event: a week of intensive learning with one of the great masters of homeopathy in an exceptional location. The event consists of a 5-day course and an

optional seminar day on the subject of BNS treatment. More information can be found on the next page.

In order to ensure optimal practical relevance, interesting cases by André Saine with a focus on “severe pathologies” will be dealt with during the course week. This systematically trains the participants' ability to grasp the essential aspects of the case - the genius. For an optimal learning effect, the cases are sent to the participants in advance for self-

study. **A live anamnesis** (on site or via Zoom conference) will complete this training. André Saine's precise and comprehensive anamnesis is always very instructive and impressive, even for experienced practitioners.

As part of the international 'Materia Medica Pura Project' (MMPP), work has been

in progress for over 15 years under the direction of André Saine to systematically review and update the homeopathic materia medica and repertory. During the seminar week, as in the past, the results of the MMPP will be presented in lectures, with a particular focus on the presentation of the genius of the remedy and the differentiation from other similar remedies.

Accommodation

Accommodation is the responsibility of the participants. As Niendorf has focused on tourism, there are comfortable hotels and vacation apartments available. Some of these are located directly on the beach promenade. We generally advise you to book your accommodation early, as there will still be vacation guests in Niendorf in October. Please inform the host that as a conference participant you are exempt from paying the usual visitor's tax. We have attached a list of possible accommodation options.

BNS Workshop

On Sunday, October 19, we are offering an optional workshop to learn the BNS technique. BNS stands for “Bilateral Nasal Specific” and is a technique for releasing blockages by aligning the cranial plates of the head. This releases pressure that affects the nervous system, leading to normalization of the circulation of the spinal fluid and blood. Further information can be found on the website: [BNS – Nasal Specific](#)

As it is also a practical training, each participant should have their own equipment. We will send you a list of the necessary items when you register for the workshop. The acquisition costs are less than 50 euros.

Seminar schedule

Below is the provisional plan, which has not yet been finalized.

October 19 - October 24, 2025 9.30 - 18.00 h (German time)

From	To	19.10.2025	20.10.2025	21.10.2025	22.10.2025	23.10.2025	24.10.2025
		Sunday	Monday	Tuesday	Wednesday	Thursday	Friday

End		End	End	End	End	End	Social evening with Open End

For an optimal learning effect, all cases are sent to the participants in advance for self-study.

Dr. André Saine

Dr. André Saine lives and works in Montréal. A graduate of the National College of Naturopathic Medicine in Portland, Oregon and Dean of the Canadian Academy of Homeopathy since 1986, he has been teaching genuine homeopathy internationally for 40 years.

André Saine is certainly one of the best homeopaths in the world with his exceptional knowledge of materia medica, his precise and empathetic case anamneses and case analyses, which are objective, logical and easy to follow. He is a very alert, well-read, immensely hard-working and also very likeable colleague with an extraordinarily lively presentation style. Further information and texts by André Saine are available at www.mmpp-saine.org or on his own website www.homeopathy.ca.

Face-to-face event and online participation

The last few years have not been easy for us organizers with regard to the face-to-face event. For financial reasons - due to too few registrations - a cancellation was always on the agenda.

We consider personal exchange to be very important, as in addition to the transfer of knowledge, friendly relationships are also cultivated and networks can be formed. For this reason, we are once again offering an face-to-face event. However, as we want to do without the stressful, tight calculations this year, the face-to-face event will only take place with a minimum of 35 participants. Therefore, when booking your accommodation, please note the possibility of canceling the event. To create an incentive, there is a discount of 60 euros for attendance participants on their next booking of the MMPP Database.

Nevertheless, anyone who has to travel too far or would prefer to stay at home for other reasons has the option of participating online. It is possible to ask questions via the chat function.

Simultaneous translation

Due to the positive feedback regarding the **simultaneous translation**, we will offer this service this year for the **entire 5 morning and afternoon sessions as well as for the face-to-face event**. Regardless of this, the seminar days will be recorded daily. After the end of the seminar, participants will receive a link to access the recordings of the morning and afternoon sessions.

Seminar prices

Presence prices:

Seminar price:	780 Euro
Early Bird for seminar price:	700 Euro (for registrations until 30.06.2025)
Lump sum for catering:	350 Euro
Optional BNS day:	100 Euro (no catering will be offered on this day)

Online prices:

Seminar price:	780 Euro
Early Bird für Seminarpreis:	700 Euro (für Anmeldungen bis 30.06.2024)

Discounts for presence or online participation:

- 10%** - for members of DZVhÄ, SVHA, SAHP, ÖGHM, ÄKH, SHZ-Zertifikat
- 20%** - for participants from Eastern Europe
- 30%-** for participants from Asia and Africa

A **special discount** is possible on application if proof of very low income is provided.

Der Seminarpreis beinhaltet:

- 5-tägige Fortbildung mit Dr. André Saine verdichtete „Pure Homeopathy“ aus der Praxis für die Praxis. Nach dem Seminar werden für die gebuchten Unterrichtsstunden Videoaufzeichnungen sowie diverse Dateien zum Nacharbeiten versandt.

The catering flat rate includes:

- **Refreshments during breaks:** Coffee, tea, lemon and ginger water, fruit, mixed nuts, vegetable sticks, pastries and cake
- **Lunch on the seminar days (as a standing buffet - also with vegetarian/vegan options)**
- **A buffet on Friday evening as part of a social evening**

(If you have any food intolerances, these can be coordinated directly with the caterer - in this case, please contact: toniturbgrit@gmail.com)

Things to know about the seminar:

- The seminar is suitable for both experienced homeopaths and beginners, everyone will benefit in his own way.
- The seminar language is English. As a French-Canadian, André Saine's mother tongue is French, so he speaks English with a slight accent and is easy to understand. In addition, **every participant can choose simultaneous translation into German free of charge.**
- German doctors should bring their barcodes with them. The 5-day course is expected to be certified by the Medical Association with approximately 35 points.
- There will be an MMPP meeting on Friday, October 24, 2025. All are welcome to attend. More information about the MMPP on <https://mmpp-saine.org>.

Registration is possible from March 1 via the website: <https://mmpp-saine.org/>

If you have any questions, please send an e-mail to: info@mmpp-saine.org.

The organization team warmly welcomes you

Kerstin Kotschenreuther, Clemens Breig, Roland Methner, Christine Heckmann, Elena Jock
